if notice hasn't been given, your table will be released 15 minutes after your reservation time. all 'no shows' will be charged the following if cancellation notice hasn't been given within 24hrs of the booking: tables of 3-4 people - £20, tables of 5-6 people - £25, and for all tables over 6 people it's £5 per person. pre-authorisations for these amounts are taken at the time of your booking online, or are sent to you by email following a booking enquiry

while the 'boozy bottomless brunch drinks' route should be pre-booked, at the manager's discretion, you may still be able to order it upon arrival or during your booking, however the 90 minute time slot still starts at the beginning of your booking. a discount on the 'boozy bottomless brunch drinks' route will not be possible for reasons of starting part way through your booking

all members of your party are required to purchase a brunch dish to be able to enjoy the 'boozy bottomless brunch drinks' route options. as such your food will be billed separately to your 'boozy bottomless brunch drinks' route on the bill. a discretionary 10% service charge will be added to your bill, along with £1 to help support local charities. if you'd like either of these to be removed, then please just ask us to do so

management reserves the right to refuse service during bottomless drinks to all or any members of your party, and also the further service of alcohol after your bottomless offer ends. and and while it may be bottomless – it's not a competition!

for celebrations please email us ahead if you wish to bring a cake. we usually have a few spare candles around to stick on one of our own desserts too! we request no party/birthday decorations, except for balloons (non-confetti filled) and banners. please let a member of staff know in advance so we can help you arrange them
